October. Every young lady is invited to attend this lecture, and bring her sweetheart, whether she is unfortunate enough to have one or not.

Though all the phantom joys you love to cherish

Einde your grasp like spectral shades the day;
Though friends forsake and all the world decive you.

And every mound you stand upon is gone. Though night shuts in without one star to

CENTERTOWN, KY., Sept. 23.

And he will light you to the Master's wheat has heen going on in our part of the county for several weeks, and from the signs of the times there will be a much larger crop put in this fall than there has been for a great many years, if not larger than ever before. The The tick and chigres to our delight,
Have chilled to death and ceases to bite;
And consequently we can pen a few thoughts for our excellent paper, with unusual satisfaction—'twas too much physical exertion for the "Crowder,"
We visited the storm-stricken portions of Ohio and Daviess counties last week, and were able to ascertian to a great measure, the material damage to the crops in that section. We found no considerable destruction apparent to the crops in that section. We found no considerable destruction apparent this side (south) of Pleasant Ridge; but there are not the section of the storm of the section and the fisher and some weeks ago greatly damaged corn and the fisher or the condition, and the yield will not be far from 8,000 pounds. This crop is on the Titus Bennett farm and was raised by G. W. Bennett and K. B. Howard, two very worthy, industrious drawing after the condition, and the yield will not be far from 8,000 pounds. This crop is on the Titus Bennett farm and was raised by G. W. Bennett and K. B. Howard, two very worthy, industrious drawing after the secure of the work of the day rains and wind some weeks ago greatly damaged corn and shocking of the condition, and the yield will not be far from 8,000 pounds. This crop is on the Titus Bennett farm and the section. We have the storm that the work of the day rains and wind and shocking of the work of the 18th is decreased by G. W. Bennett and K. B. Howard, two very worthy, industrious drawing after than every before the condition, and the yield will not be far from 8,000 pounds. This crop is on the Titus Bennett farm and was raised by G. W. Bennett and K. B. Howard, two very worthy, industrious drawing after than every before the work of the 18th is dection.

The track of the Variance of the 18th is decreased by G. W. Bennett and K. B. Howard, two very worthy, industrious drawing after the 18th is decreased by G. W. Bennett and K. B. Howard, two very worthy, industrious drawing after the 18th is decreased by G. W. Bennett and K. B. Howard, two

fever, for weeks past, we are proud to note, are about again.

It seems that the Ohio county seems the plant Springs have gained considerable not the part of the plant Springs have gained considerable not the part of the plant Springs have gained to exceed the plant Springs have gained the plant Springs have gained the popular when the fact that he that he there there is any money in that the plant Springs have gained the popular when the popul

C. Hoover, Mr. E. C., having disposed of his interest to James C. Hoover, who is, for the time being, proprietor. We are reliably informed by him as near as could be ascertained, to the amount of lumber washed from that mill during the recent heavy rain, was 2,500 feet. How are you Mr. Oren Lemon Bowen with your 40 plank, 10 feet long and six inches wide? But that's right Bro. Bowen, we like to see a man striver of Pleasant Ridge, has a hen that has absolutely reached the ripe old age of 16 years. How many maids of to-day will claim to be older "chickens" than this one?

Rogers & King, of Buford, have purchased with their large stock of boots, shoes, &c., (which they will sell at reaschased with their large stock of boots, shoes, &c., (which they will sell at reassing a season. No improvements of note. Spent a short time shaking hands with onable figures) a pair of gunboats (shoes) which would just about fit the "Crowder."

" ton, where we were welcomed by our obstraction would just about fit the current would just about fit the sarryes Hill last Monday with an ord fit weary travelers. Some the sarryes Hill last Monday with an ord fit weary travelers. Some the sarryes Hill last Monday with an ord fit weary travelers. We form the weary travelers. We form the weary travelers. We form the sarryes have a sarryes Hill last Monday with a norm of the weary travelers. We form the many attendance, and as he is a young man with fair qualification, industriation, and stream of the construction of the wear the propose

We broke it again in June and harrowed and then brushed in the seed on the 22d day of June. This is the finest lot of grass. Some of it is as high as a man can reach standing up. We think German millet will do, in fact is the best grass to raise, and well adopted to our grass to raise, and well adopted to our Green river lands. It is an excellent forage for horses and cattle. It yields an abundance of seed, and is said when ripe to be bad to founder; this is why we cut when in bloom. We are satisfied boyond our expectation.

> I saw to-day on No Creek, in your Public Printer just published, \$15,488 43. ounty, a crop of six acres of as fine to-

The term "genteel people"—this, that or the other is "very genteel" are terms not to be used, or very seldom. Substiter indeed; as patches or rather fields of the weed met our view, that were perfect destruction; and according to very reliable information, large crops are in several instances entirely abandoned—hence a complete loss.

Well, having stopped at Pleasant Ridge during this brief prospective tour, will, in justice, add that this burg is second to none, for business enterprise. We found that D. Ford had gone is recompleted.

He is only to be heard to be appreciated. Our neighbors, Wes Warden and John Field, from Equality, have both moved to Hartford. We were loth to give them up; but then what we and Equality lose Hartford gains.

Mr. Jas. A. Fulkerson is teaching a school of vocal music at this place, which bids fair to become quite interprise. We found that D. Ford had gone is second to none, for business enterprise.
